Team Sprint Milestone

Discuss this as a team. Provide concise, thoughtful answers. Bullet points are fine.

1. What did you accomplish this week?

- Made a second mini game.
- Added an Easter egg to our game.
- Started working on third mini game.
- Hosted it on Glowhost.
- Finished the Database on Glowhost.
- Started working on the script.

2. What are your biggest challenges (technically)?

- Trying to make the database work on Microsoft Azure, later switched to Glowhost.
- Learning JavaScript.

3. What are your biggest challenges (in terms of team work)?

- Which task is currently being worked on by someone else already.
- What tasks are done and handed in.

4. Network Graph demonstrating RECENT WORK
